

Cuvée Brut 2021

Preservative Free
Certified Organic
Vegan Friendly

Crisp, zesty, and invigorating - sparkling with charisma and elegance. A revelry of apple sorbet, Bosc pears, young coconut, and quince; toasting with captivating notes of passionfruit. A joyous fizz to tickle your inner sophisticate.

Story

We're delighted to introduce Temple Bruer's first ever Preservative Free sparkling wine, made from 100% estate grown, Langhorne Creek chenin blanc.

Langhorne Creek is Temple Bruer's founding vineyard, with 25-year-old chenin blanc vines, reworked in 2016 to ensure vine health and balance as the vines age.

Chenin blanc is perfect for Langhorne Creek. Its high acidity withstands the warmer summer days and its complexity is protected by the rapid cooling nights thanks to the effects of 'The Lake Doctor', Lake Alexandrina.

Grape Variety

Chenin Blanc 100%

Region

Langhorne Creek 100%

Colour

Pale Straw

Nose

Lifted yellow and green apple, pear, coconut, and lime

Palate

Jasmine, passionfruit, and green figs. Notes of lemon curd and quince. Chalky texture, and a high acid line. Tight, firm, and persistent bubble to enhance the texture and delicate fruits.
