## Story

We've long dreamt of bringing our own estate-grown Preservative Free Grenache to fruition, and we're thoroughly thrilled it's here now!

Previously, we did not have enough grenache to make a dedicated varietal. So, in 2021, Temple Bruer acquired not one, but two exquisite Riverland vineyards with gorgeous old grenache. We are putting enormous effort into reworking both properties to the high Temple Bruer standard of sustainable and organic viticulture.
