

# Mataro Shiraz Grenache 2021

Preservative Free  
Certified Organic  
Vegan Friendly

**Dark, savoury, and smooth. An irresistible, earthy union that will steal your heart. Flavours of raspberry liquorice, plum, beetroot, dark berry, and a note of lifted mint create complex layers of texture and pleasure far beyond the last sip.**

## Story

Loxton North is home to a small, beautiful Temple Bruer vineyard with 50-year-old shiraz and grenache vines. Acquired in 2011, the vines were reworked and certified organic. In 2015, similar investment and treatment was undergone for a vineyard with sensational mataro vines in Moorook, overlooking Wachtels Lagoon. Both vineyards have been lovingly and fully re-established over the last few years and are now thriving and producing concentrated, balanced fruit for this charming blend.

## Grape Variety

Mataro 41%  
Shiraz 39%  
Grenache 20%
