Shiraz Malbec

Black cherry, red currant, violet, mulberry, star anise

Story

Temple Bruer adore blending shiraz and malbec. For over 40 years we have been one of the top producers of Australian malbec. We've won multiple awards for this heroed blend so it just made sense to make it Preservative Free!

2022, one of the longest vintages we have ever experienced, saw cool temperatures with extended ripening periods which produced high-quality fruit and excellent natural acidity.

The fruit was grown in Loxton and Moorook, Riverland on 30 years old, beautiful, thriving vines in red mallee loam over limestone soils.
