

## 2025 Cabernet Merlot

ORGANIC • PRESERVATIVE FREE  
SOUTH AUSTRALIA

I am elegant and balanced. I make opportunity soar to greater heights through notes of blueberry, cranberry and cinnamon.

Our Cabernet Merlot unfolds an abundance of blue and red berry fruits that intertwine seamlessly with layers of spice. Revel in the warmth of nutmeg, cloves, and cinnamon, while subtle hints of coconut add a touch of indulgence.

This exquisite blend draws its character from the diverse landscapes of South Australian vineyards. Notably, the sun-kissed grapes of the Riverland infuse the wine with a bold vitality, while the terroir of Langhorne Creek lends its distinct charm of rich fruit and herbal accents.

The quality of fruit from the 2025 vintage was exceptional. Hot and dry conditions led to the earliest harvest we have experienced in a long time and picking decisions were of utmost importance.
