

2025 Pinot Noir

ORGANIC • PRESERVATIVE FREE
SOUTH AUSTRALIA

Step into the warmth of a crackling bonfire, the soft hum of conversation, and the gentle clinking of glasses. Worries seem to melt away in the embrace of cosy clove and vanilla. Tomorrow can wait.

Our ever evolving Pinot Noir is certainly a crowd favourite. Think juicy red fruit, snug cardamom and clove, and earthy notes of rosemary and thyme to keep things interesting. One sip, and you'll be raising your glass to the heavens!

The 2025 Riverland vintage was early, following a mild winter and warmer-than-average spring. While frost and dry conditions reduced yields across parts of the region, Pinot Noir performed strongly, with fruit harvested at good ripeness and concentration. The warm, dry season encouraged generous colour and flavour development, producing Pinot Noir with vibrant red fruit, supple texture and good varietal expression.

Colour

Ruby

Aroma

Fresh red berry fruits and floral notes, with hints of vanilla, dried rosemary, and thyme.

Flavour

Strawberry, cranberry, raspberry and plum integrated with notes of cardamom and clove.

Overview

A medium-bodied delight with fine, soft tannins and lifted fresh acidity.

Food Pairing

Miso chicken with mushrooms or miso corn ribs (V)

Bright wine,
brighter future.
Unearth my story.
