

## 2026 Rosé

ORGANIC • PRESERVATIVE FREE  
SOUTH AUSTRALIA

Ah, the old school romantic. If this wine could sing, it would serenade you outside your window. Petals of plum and strawberry dance like a whispered promise of spring. Out with roses, in with Rosé.

Our Rosé captures the essence of the Riverland's terroir with its bright, ripe fruit profile and balanced structure. With the Mataro and Grenache basking in ample sunshine and experiencing moderate nights, this wine is a testament to the region's capability to produce high-quality, expressive wines.

The 2026 Riverland vintage delivered vibrant, flavoursome fruit, shaped by the region's warm, dry growing conditions. Healthy, well-ripened grapes showed excellent flavour concentration while retaining freshness and balance. We managed to harvest the fruit for this Rosé at the perfect moment to capture its freshness and full flavour profile. This wine is best enjoyed young to appreciate its fresh, vibrant qualities.

### Grape Varieties

80% Mataro, 20% Grenache

### Colour

Pale Salmon

### Aroma

Strawberry, watermelon, orange peel and rose petal.

### Flavour

Hibiscus and lifted cherry notes with a hint of allspice and pink peppercorn.

### Overview

Dry and fruit driven, with juicy red berries and a textural, crisp finish.

### Food Pairing

Zesty Greek salad with grilled lamb or mushrooms (V)

Bright wine, brighter future. Unearth my story.
