

## 2025 Shiraz

ORGANIC • PRESERVATIVE FREE  
SOUTH AUSTRALIA

I am rich and enchanting. I extract nature's essence into notes of violet, strawberry, and black cherry.

Shiraz is the staple of Australian wine and a favourite of Temple Bruer. This wine is a story of depth, character, and the timeless allure of this exceptional varietal. We source the best grapes from our vineyards across South Australia's brilliant wine regions. The essence of our vineyards are in every sip, a canvas rich with the sunsoaked flavours of blackberry, blueberry, and the sultry embrace of black cherry.

Vineyards in the Riverland are predominantly grown in red sandy loam soils, while Langhorne Creek shiraz vines are grown in light sandy loam, with some granite over clay. Growing grapes in differing climates in warm, cool, and Mediterranean regions provides this wine with complexity and balance.

The quality of fruit from the 2025 vintage was exceptional. Hot and dry conditions led to the earliest harvest we have experienced in a long time and picking decisions were of utmost importance. We managed to harvest the fruit for this Shiraz at the perfect moment to capture freshness and full flavour profile.

### Colour

Deep Purple

### Aroma

Violet, rose, lavender, raspberry, strawberry, plum.

### Flavour

Medium to full-bodied. Pepper and liquorice on the front palate, with blackberry, blueberry, and black cherry. Fine, soft tannins.

### Overview

Medium to full-bodied with fragrant red fruit. Pepper and black fruit on the palate. Oaked.

### Food Pairing

Beef eye fillet with romanesco sauce or spaghetti alla puttanesca.

Bright wine, brighter future. Unearth my story.
