

# Shiraz Cabernet 2017

Certified Organic  
Carbon Neutral  
Vegan Friendly

*Velvet intellect* | Dark and edgy souls. A little aloof; too cool for cool-climate peers. Hand-picked black fruit seasoned with French and American new oak. Moody sage gives way to blood plum and rose petal.

## Story

*The Agonist* range is the romantic anthology between organic farming and scientific enquiry.

Enwreathed by rolling hills and ancient gums, our shiraz and cabernet sauvignon thrive in the unique terrain of Eden Valley. Planted over clay loam and loamy sand with quartz gravel, these grapes were left in contact with skins for four days and pressed into 100% new French and American oak.

Hand-picked in early to mid-Autumn, this wine exhibits exceptional acidity and richness of fruit.
